

WHAT WE HEARD

Morris Grove Elementary

Engagement by the Numbers:

124 students, parents, and school staff engaged

3 school-based events and pop-up activities

400 flyers distributed through classrooms

28 students participated in Walk and Roll to School Day 2025

51 SRTS survey responses

14% of surveyed families walk, bike, or roll to school a few times a week

Key Safety Concerns

Traffic and Congestion

Too many cars along Eubanks Rd and Old NC-86 and too much carpool congestion

Unfinished Greenway

The unpaved, rocky section of the Jones Creek Greenway is impassable for many

No Eubanks Rd Connectivity

Lack of bike lanes or a multi-use path on Eubanks Rd to link Chapel Hill and Carrboro

Improvements People Want to See

Jones Creek Greenway: Complete the missing segment of paved trail so that strollers, bike trailers, and smaller cyclists can use it to get to school

Eubanks Corridor: Implement a multi-use path to connect families that live in Chapel Hill

Increase police presence: During peak school traffic hours to improve driver behavior

WHAT WE HEARD

Morris Grove Elementary

How Do Kids Currently Get to School? *According to the survey...*

10 bike or roll

17 ride the school bus

42 are dropped off

Top 3 Reasons Kids Do Not Walk or Roll *According to the survey...*

1

**Unsafe
Conditions**

2

**Time
Constraints**

3

**Distance to
School**

“ There is a beautiful, paved path that does not connect all the way through so there is a mountain biking segment. We think more people would bike if this was paved all the way through. The mountain biking can be intimidating to new riders, and it is a challenge to bring a stroller through (e.g., for a younger sibling) or to put a younger sibling in a seat or trailer. ”

“ Even driving to school feels iffy due to speeders and impatient drivers passing unsafely! Morris Grove could really use a police presence due peak traffic hours. ”

“ Lake Hogan Farms is not accessible to any of the schools that it is zoned for: Morris Grove, McDougle or Chapel Hill HS. There are no sidewalks. ”
